Turn the lamp on, let me talk to you,
See the light bulb, that's sun to you,
Make's it a little harder to tell a lie don't it?
Make it difficult to run and hide don't it?
Tell the truth to me, be the truth to me,
Come close to me, if that's you,
I wanna see the details inside of those beautiful eyes
(Beautiful eyes).

Myself ain't never talked to me like that before, noo,
I wonder what on earth you're searching for...
No wonder why there's no mirrors on these walls no
more,
You can't tell me why you're so terrified of beautiful,
Scared of the good more than the evil, scared of the
light more than the dark,
Scared of the truth so much more than the lie,
I'm scared for you,
I'm scared of you,
Scared of beautiful.

Just turn the lamp down, don't talk to me,
That light bulb took some from me,
But it gave some to me, I can't decide I can't decide.
Took freedom gave purpose,
Can't blend in to perfect,
All of this beauty you ever gave me was a reason for
some beautiful things.

Myself ain't never talked to me like that before, noo, I
wonder what on earth you're searching for...

No wonder why there's no mirrors on these walls no
more,
You can't tell me why, you're so terrified of beautiful,
Scared of the good more than the evil, scared of the
light more than the dark,
Scared of the truth so much more than the lie,
I'm scared for you,
I'm scared of you,
Scared of beautiful.

Mirror mirror on the wall, who's the fearest of them all?
Mirror mirror are you so afraid of all the beautiful
ones?

No wonder why there's no mirrors on these walls no
more,
You can't tell me why, you're so terrified of beautiful,
Scared of the good more than the evil, scared of the
light more than the dark,
Scared of the truth so much more than the lie,
I'm scared for you,
I'm scared of you,
Scared of beautiful.

Beautiful (yeah) (3x)
Beautiful oh oh...
Beautiful (4x)
Don't scare...
Don't scare me...
Don't scare mhm beautiful...
