Why Don't You Read Me Some Of Those Beautiful Tales
That You Know?
Of Course.It's A Pleasure My Friend.Here We Go?
Once Upon A Time In A Foreign Land
A Lonely Man Was Born He Was The King Of Time
Waiting In The Air With No Order The Leaves Are Falling
Down
Sit In An Old Green Cover Thinking
While The Rain Keeps Falling Down Over His Lost
Paradise
Where The Young Child Plays All Through The Night
Who Knows What You Are Living For?
Are You Trying To Change
The Way Of The World Where We Live?
Who Knows What You Are Crying For?
Are You Wandering In A Time That Isn't Yours?
So Close To You The Forest Is Still Alive?
Slyly From The Back The Sirens Play Their Game
The Light Is Gone And Mother Earth Won't Be The
Same
The Sea Loses Its Colour But Its Magic Remains
The Queen Of Hearts Sleeps In A Sort Of Grace
Moonlight Even Cares About This Empty Space
He's Walking In A Path In Danger Of Dying Out
Who Knows What You Are Living For?
Are You Trying To Change
The Way Of The World Where We Live?
Who Knows What You Are Crying For?
Are You Wandering In A Time That Isn't Yours?
So Close To You The Forest Is Still Alive?
