Can You See Fire Tears In My Eyes ?
Falling Down My Face For The Last Time
Do You Believe I Need Your Love ?
I Just Need A Peace In My Heart
It Was A Hell Day By Day
Doing Things That I Wanna Change
You Never Really Got Into My Life
You Took The Best And I Lost My Mind
It?s Really Hard But Forever Goodbye
That?s The Way To Never Cry
I Need Your Answer To Satisfied
And To Affirm That You Were A Child
I Know You Know My Feelings
You Feel That I?m In Love
It?s Late To Give You Another
Second Chance To Change
You Never Heard The Music I Did
You Wanna Be What You Can?t Be
Sometimes I Cry Cos I Don?t Understand
Why Are You Doing All The Things So Bad
I Know You Know My Feelings
You Feel That I?m In Love
It?s Late To Give You Another
Second Chance To Change
