This magic winter night I see a light
Again I hear that tune, some sort of croon
Oh no, no, no, oh, my brain.
Whoooooh

I see them gypsy wagons left in the snow
Oh, I must see that lady, I have to know
Gypsy woman, let me inside

They say you know the secret, secret of time
So gaze into your crystal and tell me

All you see

Gypsy woman, let me know
"Oh, my son, you were never gone
You are the Devil's child, and so am I"

Gypsy now I know you're not my mother
You are a part of my soul,
It's dear for all to see
Oh no, no, no, I am you
Gypsy you're inside of me
