Marijuana is the bomb
Marijuana is a narcotic
Marijuana is the bomb
Marijuana is a narcotic

You're right, there are,
There are lots of unanswered questions here
Ah, but the fact is
Marijuana helps people
Marijuana keeps people from being blinded
It keeps people from being crippled
It keeps people from wasting to death

Marijuana is the bomb
Marijuana is the bomb

There has never been proven
Medicinal purpose for Marijuana
Through the scientific, ummm, uhhh

Marijuana is the bomb

Ummm, guhmm

Marijuana is the bomb

Ahhhh

Marijuana is the bomb
Marijuana is a narcotic
Marijuana is the bomb
Marijuana is a narcotic

Ahhh

Marijuana is the bomb
