Red Line Relaying On Time
In A New World Of Light
Against The Earth Nothing Is False
Going Down , Down , Down
Take Time It's A Piece Of My Mind Who's Talking
Send To Her Line My Question Of Time About Lovers
She's Looking For Signs On Shadows Of Nights From
Nowhere
But I Think She Doesn't Know That I'm Living Like A
God Without Her
Red Line Spending Our Time
In A Strange Blue Fear
The Mothers Of Love Are Crying For You
Going Down , Down , Down
Take Breath There Are Forty-Four Sounds In My Head
Try To Find Out The Secret Of Dancers Seasons
I'm Looking For Lives Caught In The Spell Of
Nightmares
But She Wove Her Thoughts To Give Us An Unable
Reason
Calling You I'm Falling In Love
Everywhere I Dare To Go
Always Lost Sometimes Free
It's Your World I Can't Be In
Red Line Confusion Or Crime
In A Shout Of Disgrace
Between Our Sunrise A Ray Of Hope Blows
Going Down , Down , Down
