I've gambled down in Washington  
And I've gambled up in Maine  
I'm going down into Georgia  
To knock down my last game

I'm a gambling man, man, man  
I'm a gambling man

Well I had not been in Washington many more weeks  
than three  
When I fell on love with a pretty little girl  
And she fell in love with me

I'm a gambling man  
I'm a gambling man

I'm a gambling man, man, man  
I'm a gambling man, man, man  
I'm a gambling man, man, man  
I'm a gambling man

I'm a gambling man, man, man  
I'm a gambling man, man, man  
I'm a gambling man, man, man  
I'm a gambling man

She took me in her parlour  
Cooled me with her fan  
She said , "Oh mother mother  
I'm in love with a gambling man

He's a gambling man, man, man  
He's a gambling man"

She said, "Oh daughter, daughter  
How could you treat me so  
And leave your dear old mother  
And with that gambler go"

He's a gambling man, man, man  
He's a gambling man

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man

"I would not marry a farmer  
He's always in the red  
I'd rather marry a gambling man  
With a gold watch and chain"

He's a gambling man  
He's a gambling man

"And I would not marry a railroad man  
Here's the reason why  
I never knew a railroad man  
Who wouldn't tell his wife a lie"

He's a gambling man  
He's a gambling man

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man  
â€¦(How about Jimmy)

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man

I hear that train a-coming  
Coming round the curve  
Whistling and a-screaming  
Straining every nerve

He's a gambling man  
He's a gambling man

He's a gambling man, man, man

He's a gambling man, man, man  
He's a gambling man, man, man  
He's a gambling man
