You told me
'I'd never leave you, baby'
But I don't believe
This is happenin' all over again

I was such a fool
To think that you would ever change your ways
Even put your hand upon your heart
And said that no one else could take my place

How was I so blind
I trusted every single word you said
I know I should have seen the light
But I just let your love go to my head

* I've taken you back before
'Cos you told me you'd changed
Looked in my eyes and said

** 'Believe me', then you
Broke my heart and
Deceived me when you
Said you never could leave me
But it's happenin' all over again, no, no, no

I promised myself
I'd never make the same mistakes again
And though I look for someone
I never really want to walk away

It seems that you're just the same
I forgot all the pain
Looked in your eyes, you said

** Repeat

You said, 'believe me'
But it's happenin' all over again
Deceived me
But it's happenin' all over again
Could leave me
But it's happenin' all over again

* Repeat

** Repeat
