First I was afraid, I was petrified
Kept thinking I could never live without you by my side
And I spent so many nights thinking how you did me
wrong
And I grew strong and I learned how to get along

And so you're back from outer space
I just walked in to find you here with that look upon your
face
I should have changed that stupid lock
I should have made you leave your key
If I had known for just one second you'd be back to
bother me

Oh, now go, walk out the door
Just turn around now 'cause you're not welcome
anymore
Weren't you the one who tried to break me with
goodbye?
Did you think I'd crumble, did you think I'd lay down
and die?

Oh, no, not I, I will survive
For as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive, hey, hey

La, la, la
La, la, la
La, la, la

La, la, la
La, la, la
La, la, la

It took all the strength I had not to fall apart
Just trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for
myself
I used to cry, but now I hold my head up high

And you see me, somebody new

I'm not that chained up little person still in love with you
And so you felt like dropping in and just expect me to
be free
But now I'm saving all my loving for someone who's
loving me

Oh, now go, walk out the door
Just turn around now 'cause you're not welcome
anymore
Weren't you the one who tried to break me with
goodbye
Did you think I'd crumble, did you think I'd lay down
and die?

Oh, no, not I, I will survive
For as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive, hey, hey

La, la, la
La, la, la
La, la, la

La, la, la
La, la, la
La, la, la

La, la, la
La, la, la
La, la, la
