Baby, what's on your mind?
Baby, baby what's on your mind?
You can't even speak, and you can't even eat, poor
child.

I'm heart-broken, and in trouble too.
I'm heart-broken, lord I'm in trouble too.
Lord, what more, can a poor broken-hearted man do.

Everybody come near and do this mess-a-round â€¦
Ah, play it, Mr. Lonnie Johnson â€¦ Ah, you play it so
good â€¦
Mmmh, mmmh, mmmh â€¦ mmmh, Mr. Middle â€¦
[man's spoken words]

You think some people is happy, but I swear you don't
know.
You think some people is happy, but I swear you don't
know.
You don't know what's happening, after the door is
closed.

Stand back if you want to hear it again â€¦ [man's
spoken words]
