Baby, please don't leave me, I can't take it by myself.  
Baby, please don't leave me, can't take it by myself.  
All the love I have for you in my heart, I can't trust it  
with nobody else.

Aaaaah, sing it, Lonnie! [spoken words - Dan Dixon]  
I give you my money, my lovin', and everything that  
belong to me.  
Give you my money, my lovin', and everything that  
belong to me.  
Aaaaah, sing it! [spoken-D. D.]  
And if I've been a bad fellow, I wasn't intent to be.

You say that you love me. How can you stay out the way  
you do?  
You say that you love me. How can you stay out from  
me the way you do?  
But someday I'll find me someone, baby that will take  
the place of you.

The things I use to take off you baby, I ain't goin' take  
them no more.  
'Caused me to drink and gamble, 'caused me to tramp  
through the rain and snow.  
But now I'm so glad, I've found me a brand new place  
to go.  
Aaaaah, you're right! [spoken-D. D.]

I love you and I trust you, then you let me catch you  
wrong.  
Aaaaah, stop for me! [spoken-D. D.]  
I love you and I trust you, and you ain't stayed here  
since I been gone.  
So here's your brand new ticket, and hell will be your  
brand new home.
