To marry a beautiful woman these days,  
Is just like a murder crime  
To marry a beautiful woman these days,  
Is just like a murder crime  
If you lookin' for a real good woman,  
Boy you just wastin' time  
First she don't know how to sweeten your coffee,  
She can't even make up your bed  
She don't know how to sweeten your coffee,  
She can't make up your bed  
She can't even roast your meat  
And how she mess up your bread  
Next she can't bake cornbread,  
She can't even boil beef stew  
She can't even bake cornbread,  
She can't boil beef stew  
Man if your woman is beautiful and dumb,  
That don't mean a thing to you  
My gal baked me some bread this morning,  
The bread refused to rise  
My gal baked me some bread this morning,

The bread refused to rise  
The crust was tough on the bread,  
Was as the rubber on a Maxwell tyre  
Some men crave beautiful women,  
But in my life it's not worthwhile  
Some men crave beautiful women,  
But in my life it's not worthwhile  
After all they're just beautiful,  
Ain't got sense of a newborn child
