Call me darling, call me sweetheart, call me dear.
Thrill me darlin', with the words I long to hear.
In your dark eyes, so smiling, there's a promise I see.
Mmm, but your two lips, just won't say, that you really in
love, in love with me.

Oh, my darlin', if my daydreams all come true,
Then I'll meet you, in my secret rendezvous.
Then I'll find, I'll find paradise, that lies deep in you
eyes.
Call me darlin', call me sweetheart, call me dearest.

Call me darling, call me sweetheart, call me dear.
Thrill me darlin', with the words I long to hear.
In your dark eyes, so smiling, there's a promise I see.
Ah, but your two lips, just won't say it, that you really
care for me.

Ah, my lovin', if my daydreams will all come true,
Then I'll meet you in my secret rendezvous.
Then I'll find, I'll find paradise, that lies deep in you
eyes.
Call me darling, call me sweetheart, call me dear.
