I been so good to you, and you been so mean to me.  
Baby, I been so good to you, and why you so mean to me.  
You know I love you too much to hurt you, that's why I'm going to set you free.

It's gonna break my heart, but I just have to let you go.  
It's gonna break my heart, but I've got to let you go.  
'Cause you don't think enough baby, you don't even come home no more.

Yet it's three o'clock in the mornin', and I haven't even closed my eyes.  
Yet it's three o'clock in the mornin', and I haven't even closed my eyes.  
Every time I think about [how] I'm gonna lose you, my poor heart dies a million times inside.
