What makes a rooster crow every mornin' 'fore day?  
What makes a rooster crow every mornin' 'fore day?  
To let the pimps and ramblers know that the workin'  
man is on his way

You can always tell when your woman's man has come  
to town  
You can always tell when your woman's man is come to  
town  
She will put on her best panties and dress and steal  
herself a sleepin' gown

Men, don't you know there's no way to keep your sweet  
woman home  
Men, don't you know there's no way to keep your sweet  
woman home  
Oh, there always some other good man to beat you  
doin'  
What you tryin' to carry on

If you buy your woman plenty of silk things, don't buy  
them all in one time  
If you buy your woman plenty of silk things, don't buy  
them all in one time  
She will get ramblin' in her brain and some travelin'  
man on her mind
