Darlin', night and day I've cried, I've cried because I  
need you so.  
Night and day I've cried, cried because I need you so.  
All the love I have in my heart, something you will never  
know.

If you ever get the feelin', feelin' the way I do.  
Baby, if you ever get the feelin', feelin' the way I do.  
Baby, just stretch out your arms, I'll come running back  
to you.

Way I love you baby, something I can't explain.  
The way I love you baby, something I can't explain.  
'Cause if I tried to baby, it will drive a poor man like me  
insane.

'Cause I'm so in love with you, baby, I can't sleep  
anymore.  
Mmm, I'm so in love with you, I just can't sleep  
anymore.  
That's why I beg you so hard baby, don't leave me, just  
can't stand to see you go.
