Just look how it's rainin', my feet's on the ground  
Just look how it's rainin', and my poor feet's on the  
ground  
For the woman I've made happy, well she's after every  
man in town

Friends please open your door, and don't drive me  
away  
Please open your door, and don't drive me away  
The rent man has put me outdoors, and I've got no  
place to stay

Let me stay here tonight, it's ice all on the ground  
Let me stay here tonight, it's ice all over the ground  
Cause I'm motherless and I'm fatherless, and please  
don't turn me down

When I had plenty money, I had friends all over town  
When I had plenty of money, I had friends all over town  
But just as soon as I got outdoors, none of my friends  
could be found

After mother and father's gone, a dollar's your right-  
hand friend  
After mother and father's gone, dollar's your right-  
hand friend  
Then after your last dollar's gone, you're like a road  
that has no end

Mmmmmmmmmmmmmmmmmmmmm, lord where will I go  
I'm beggin' you my friend, don't drive me from your  
door  
I cannot sleep on the ground, there's nothing but ice  
and snow
