Well I'm goin' down to the river, take along my little  
rockin' chair.

Well I'm goin' down to a river, take along my little  
rockin' chair.

If my baby don't come back soon, I'm gonna rock on  
'way from here.

'Cause I've got rocks in my bed, my mind 's goin'  
around and 'round.

I've got rocks in my bed, and my mind is goin' round  
and 'round.

I might as wella end it all, and jump over board and  
drown.

'Cause my bed is so empty, don't know where my baby  
's gone.

Yes, my bed is so empty, don't know where my baby 's  
gone.

And what 's killin' me day by day, I'm so tired of being  
alone.

Yes, I'm driftin' and driftin', just like a rollin' stone.

Yes, I'm driftin' and driftin', no place I can call my own.

Yes, and my woman 's in love with someone else, no  
one to call my own.
