Man, my woman is so evil, she can't sleep straight in  
the bed.

Man, my woman is so evil, she can't sleep straight in  
the bed.

She gets mad with the world, she wished that everyone  
was dead.

She starts to drinkin' in the mornin', drinks until she  
can't hold no more.

Start to drinkin' in the mornin', she'll drink until she  
can't hold no more.

An' get evil with the world, come back home and kick  
down the door.

Yes, she's got a blackjack under the pillow, shotgun  
under the bed.

Yes, she's got a blackjack under the pillow, shotgun  
under the bed.

If you try to make love to her, she 's ready to go upside  
your head.

She 's the evilest woman, that I ever had in my life.

Yes, she 's the evilest woman, that I ever had in my life.

Sometimes I don't think she 's human, she must have  
been the devil's wife.
