Best wishes darlin', the best everything to you  
Best wishes darlin', the best of everything to you  
Yes, I hope the one you found, can do all the things  
that I failed to do

Darlin', if I never, if I never see your smilin' face again  
Darlin', darlin', never see your smilin' face again  
It's one thing I want you to remember, I'll always be  
your friend

You mean everything to me, but we can't get along  
somehow  
Yes, you mean everything to me, but you can't see  
things my way  
But the best of everything to you, I'm goin' to miss you  
night and day

I have no more tears to shed, and I just can't beg you  
no more  
I have no more tears to shed, but just can't beg you no  
more  
I made up my mind and it hurts me so, but I just have to  
let you go

Yes, I've tried so hard to please you, but I just can't  
please your mind  
Yes, I've tried so hard to please you, but I just can't  
please your mind  
You just keep me worryin', cryin' for you all the time
