And if I ever lost you how, how much would I cry?  
How deep is the ocean?  
How high is the sky?

How much do I love you?  
I'll tell you no lie.  
How deep is the ocean?  
And how high is the sky?

How many times a day, do I think of you?  
How many rubies sprinkled with dew?  
How far would I travel, Darling to be where you are?  
How far is the journey from here to the star?

And if I ever lost you how, how much would I cry?  
How deep is the ocean?  
How high the sky?

And if I ever lost you how, how much would I cry?  
How deep is the ocean?  
How high is the sky?
