Well, I've got news for you baby, read the sign up on the door.

Well, I've got news for you baby, read the sign up on the door.

I'm tired of your cheatin' and lyin', I don't need your love anymore.

I work hard every day, I'm at home baby, every night.  
Yes, I work hard every day, I'm at home every night.  
And you out with your best friend's husband, and baby, you know that ain't right.

I've been givin' all my money, spendin' all my time with you.

I've been givin' all my money, spendin' all my time with you.

And you got your best friend's husband, there 's nothin' too low for you to do.

I want you to pack up everything you got, baby, and don't bother to close the door.

Pack up everything you got, don't bother to close the door.

'Cause I'm so tired of your lyin' and cheatin', I just can't use your love anymore.

Yes, I've gotta whole lot of news for you, it's a sign up on the door.

Yes, I've got news for you baby, the sign 's up on the door.

You ain't gonna have no good luck baby, no matter where you go.
