I'm in love with love, but love is killin' me.
I'm in love with love, but love is killin' me.
Sometimes my baby is with me, 'stead of bein' with her
ol' time usta be.

I love my baby, me an' my baby can't agree.
I love my baby, but me an' my baby can't agree.
'Cause the stuff that she pulled on Shorty, she can't
pull that jive on me.

I know every thing about love, I'll tell you anything that
you want to know.
I know every thing about love, tell you anything that you
want to know.
But if you don't stop lyin' to me baby, somebody 's got
to go.

All those mean things you used to do to me baby, you
can't do them to me no more.
All those mean things you used to do to me baby, you
can't do them to me no more.
'Cause I just want to tell you baby, I found me a brand
new place to go.

I'm in love with love, and nothin' can stop me now.
I'm in love with love, nothin' can stop me now.
You have messed up my whole life, but I'll still get
along somehow.
