Baby, you just a teaser, why I'm sick in love with you?  
I can see you don't mean me no good, baby, by the  
things that you say and do.  
You makes me feel so good, 'at's why I'm simply nuts  
over you.

I try to smile and pretend I don't love you, baby, but you  
know that ain't true.  
I try to pretend I don't love you, my heart is breakin'  
down for you.  
It's a shame the way I love you, and you only teasin' me  
too.

If love is a crime then I'm guilty, but there's nothin' I  
can do.  
If love is a crime then I'm guilty, there's nothin' I can  
do.  
After all the good women in this world, why did I have  
to fall in love with you?

You've got all the women screamin', you the woman  
that stole their man.  
I even give you my love, put my heart and soul in your  
hand.  
So now you can give your maker your heart, and the  
rest to the undertaker man.

I'd rather to see you dead and buried six feet in the  
cold, cold ground.  
I'm goin' to see that you'll be buried out in six feet of  
cold, cold ground.  
Then I know you won't be here to chase, after every  
woman's husband in town.
