My baby 's so evil she can't sleep straight in the bed.  
My baby 's so evil she can't sleep straight in a bed.  
She gets full of wine at night and wish that everybody  
was dead.

I've got a juice headed baby, stays drunk all the time.  
I've got a juice head baby, stays drunk all the time.  
Funny thing 's I'm in love with this evil woman, she's  
drivin' me out my mind.

She starts to drinkin' early in the mornin', drink until  
she can't hold no more.  
Starts to drinkin' early in the mornin', drink until she  
can't hold no more.  
Then she gets evil with the world, comes back home  
and kick down the door.

She 's got a blackjack under the pillow, sawed off  
shotgun layin' 'side the bed.  
She 's got a blackjack under the pillow, sawed off  
shotgun layin' 'side the bed.  
If you try to put your arms around her, she 's ready to  
go up side your head.

She 's about the evilest woman, I ever had in my life.  
She 's 'bout the evilest woman, I ever had in my life.  
Sometimes I don't think she 's really human, she must  
have been the devil's wife.

But some day I'll get rid of her, get rid of my baby  
somehow.  
Some day I'll get rid of her, get rid of my baby  
somehow.  
'Cause I found out she 's too evil, and I can't cuddle no  
how.
