If you got a gal is nice and sweet,
And serve you plenty of young pig meat,
Oh, keep it to yourself.

If you know her, you're standing pat,
Got her worryin' where you're at.
Oh, keep it to yourself.

She don't phone for no one, she don't call for no one.
She don't give nobody none of her L-O-V-E 'cause it
yours.

You got a gal, she's full of action,
Give you lots of satisfaction.
Oh, keep it to yourself.

If you got a gal with a kiss and a squeeze.
That make you get weak in your knees.
Oh, keep it to yourself.

If she tries to treat you right,
Give you loving every night.
Oh, keep it to yourself.

She don't fall for no one, she don't call for no one.
She don't give nobody none of your L-O-V-E 'cause it
yours.

With your gal you got the best so,
Don't broadcast it on the radio.
Oh, keep it to yourself.
