Take care of the woman you've got, let your best  
friend's gal alone.  
Take care of the woman you've got, let your best  
friend's gal alone.  
'Cause if you take his woman, somebody 's sure to  
wreck your home.

Brother, if you bite yourself be bitten, and that ain't no  
lie.  
Brother, if you bite yourself be bitten, and that ain't no  
lie.  
And if you don't stay away from your pal's gal,  
somebody 's got to die.

You got a woman who loves you, why don't you let that  
do?  
She's fine looking and she loves you, why don't you let  
that do?  
But you're not the type to be satisfied, you want  
something that don't belong to you.

Brother every clothes - I ain't slept - every good-bye  
is gone.  
Every clothes - I ain't slept - every good-bye is gone.  
But when you dead you stay dead, God bless the man  
that has his own.
