Well I'm travelin' light baby, come on and go with me.  
Well I'm travelin' light baby, come on an' go with me.  
Hey where the seven longest rivers empties into the  
deep blue sea.

I've got a long road to travel, come on and let's have  
some fun.  
Gotta long road to travel, come on baby, let's have  
some fun.  
Way down the highway I can show you how love is  
really done.

I've got my clothes all packed an' my car 's all filled  
with gas.  
Got my clothes all packed an' my car 's all filled with  
gas.  
We'll take Route 66 and drive as long as it lasts.

And when the gas gets low we'll stop and get some  
more.  
When the gas gets low we'll stop and get some more.  
Gotta long road to travel 'n I need you by my side you  
know?

Well I'm heading for the city they call the "Land Of  
Dreams".  
Yes, heading for the city they call the "Land Of  
Dreams".  
It's my hometown and the destination is dear old New  
Orleans.

We'll do our lovin' by the moonlight lay up in the  
Chevrolet.  
Do our lovin' by the moonlight lay up in the Chevrolet.  
Fine body ta make you goofy while you rock ya' blues  
away.
