Want all you people to listen while my guitar sing.  
I want all you people to listen while my guitar sing.  
If you ain't got that rhythm it don't mean a thing.

Sing for me guitar! [spoken words - Lonnie Johnson]

Yes, indeed, yes indeed â€¦ take it Mr. Piano Man!  
[spoken words - Lonnie Johnson]

Ahh, beat it, beat it, beat it out! Thank you so much, so

Some people thinks I'm dead because I been gone so  
long.  
Some people thinks I'm dead because I been gone so  
long.  
I justa stopped see would you miss me from singin'  
these lonesome songs.

Yes indeed, it's so good, it's so good. [spoken words -  
Lonnie Johnson]

I want all you people to listen while I swing this song.  
I want all you people to listen while I swing this song.  
If you born with that rhythm honest, you can't never go  
wrong.
