My baby, my baby, don't break your daddy's heart.  
My baby, my baby, don't break your daddy's heart.  
My baby, I will love you, why did we ever part?

If I lost my right arm, that wouldn't be so bad.  
If I lost my right arm, that wouldn't be so bad.  
But if I lost you baby, then my life would be so sad.

I learned to live without my mother, and without my  
father too.  
Yes, I learned to live without my mother, and without  
my father too.  
But I know baby, I can never learn to live without you.

My baby, my baby, look into my eyes and you can see.  
Yes, my baby, my baby, look into my eyes and you can  
see.  
How my poor heart will be breakin' if you don't come  
back to me.
