True love is something, is something you can't buy.  
True love is something, is something you can't buy.  
It's something from the whole soul an' body, and you a  
fool if you try.

'Cause you can't buy love, you can't buy it on a  
payment plan.  
Can't buy love, you can't buy it on installment plan.  
'Cause God made man to love woman, and a woman 's  
got to love a man.

What good is a pair of arms, ain't got no one to hold?  
What good is a pair of arms, ain't got no one to hold?  
When there's only a broken heart, an' a poor little  
worried soul?

What good is lovin' someone, when they in love with  
someone else?  
Yes, What 's the good of lovin' someone, when they in  
love with someone else?  
Better stop while you can, yes - better off by yourself.
