Nothin' clickin' chicken, you'll get nothin' 'ere.
Nothin' clickin' chicken, you gets nothin' 'ere.
Now you don't love me, all you want is my gold.
When I wants a date, you says I'm just too old.
There 's nothin' clickin' chicken, so you gets nothin'
'ere.

There 's nothin' clickin' chicken, you gets nothin' 'ere.
Nothin' clickin' chicken, you gets nothin' 'ere.
Now I know you mella, and you mighty fine.
But you can't get your hands on this bankroll of mine.
There 's nothin' clickin' chicken, you gets nothin' 'ere.

There 's nothin' clickin' chicken, you gets nothin' 'ere.
There 's nothin' clickin' chicken, you gets nothin' 'ere.
You wants two mink coats and a Cadillac car.
Who in the devil do you think you are?
There 's nothin' clickin' chicken,
You won't get nothin',
You won't find nothin',
Ain't got nothin' 'ere.
