How could you hurt me this way, stayin' out from me
the way you do?
How could you hurt me this way, by stayin' out from me
the way you do?
You only started to hurting me baby, when you found
out I was so in love with you.

I treated you just like a baby, even washed your face
an' hand.
I treated you just like a baby, even washed your face
an' hand.
An' you spent all your time, in the arms of another man.

Yes, you've hurt me so long in my heart, baby I just
don't hurt anymore.
Yes, you've hurt me so long in my heart, till I just don't
hurt anymore.
I use to cry for you when you'd leave me, but now I
don't care where you go.

'Cause that ain't no true love, when there's a one sided
affair.
'Yes, that ain't no true love, when there's a one sided
affair.
'Cause the love you lookin' for in life, you'll never find it
there.
