Yeah, hold it right there in that groove, hold it right there. [spoken words - Lonnie Johnson]

Baby, baby, please, baby, please come back to me.
Baby, please, baby, please come back to me.
I'm just a prisoner for your love, you the only one can set me free.

I woke up this mornin', something cold, something went wrong.
Yeas â€¦ [spoken words - Lonnie Johnson, as he begins finger snaps]
I woke up this mornin', something cold, and something went wrong.
I fell down on the pillow, and I found my baby gone.

Yes, I been drinkin' and thinkin', but I can't get her off my mind.
Yes, I been drinkin' and thinkin', can't get her off my mind.
Every time I sit down to eat my breakfast, I just can't help from cryin'.

Man, when you've got someone you love, there's nothin' can fill that space.
Man, when you got something that you really love, there's nothin' can fill that place.
And when she's out of your arms, there's nothin' but an empty space.

Baby, please, darlin', please come back to me.
Mmmmmmmm, baby, please come back to me.
Ah, without you I'm lost, you mean the world and all to me.
