Well it's pourin' down rain, and my baby 's nowhere  
'round.

Yes, it's pourin' down rain, and my baby 's nowhere  
'round.

Yes, I guess she 's with her other lover, he live away  
from the storm.

Please help me, please help me to find my way.

Please help me, help me to find my way.

I dream all night, and I cry all through the day.

Mmm, please have mercy on me.

Mmm, please have mercy on me.

My poor heart is broken, I'm lonesome as a man can  
be.

My baby 's gone, and won't be back no more.

My baby 's gone, and won't be back no more.

Please help me to find my baby, no matter where she  
goes.

Mmm, mmm,

Please help me, I can't go this way.

I dream all night, and I cry all through the day.

Lord, please have mercy on me.

Lord, please have mercy on me.

If you can't find my lover, send back my "used ta be."
