Alone from night to night you'll find me, too weak to  
break the chain that binds me.  
I need no shackle to remind me, for I'm just a prisoner  
of love.

For one command I stand and wait now, for one who 's  
master of my fate now.  
I can't escape, for it's too late now, for I'm just a  
prisoner of love.

What's the good of me caring, if someone else is  
sharing those arms with me?  
Although she has another, and I can't have another, for  
I'm not free.

She's in my dreams, awake or sleeping, upon my knees  
to you darling I'm creeping.  
My very life is in your keeping, for I'm just a prisoner of  
love.

What's the good of me caring, if someone else is  
sharing, sharing those arms with me?  
Although she has another, I can't have another, for I'm  
not free.

She's in my dreams, awake or sleeping, upon my knees  
to you my heart is weeping.  
My very life is in your keeping, for I'm just a prisoner of  
love.
