Ain't got no rocks in my bed, but I just can't lay down
there no more.
I got rocks in my bed, but I just can't lay down there no
more.
Every time I lay down in the mornin', old rockin' chair
knocks on my door.

If you neva' been in love, please don't try to find it out.
If you neva' been in love, please don't try to find it out.
That's the truth â€¦ [spoken words - probably Dan
Dixon]
And if you feel yourself slippin', please ask somebody
what it's all about.

'Cause it hurts to love someone, that you can't have all
by yo'self.
It hurts to love someone that you can't have all by
yo'self.
And the part that hurts so bad - when you got to share
them with somebody else.

Take it bass â€¦ Ahhh, git it and git it good â€¦ [spoken
words - Lonnie Johnson]

Now you told me that you love me baby, and you told
me a lie.
But today you quit me - make up your mind or die.
So get yo'self together, 'cause I ain't goin' stand no
more doggin' around.
I know you've got somebody else, cause the talk 's all
over town.

Babe I'm gettin' awful tired, of sleepin' by myself.
If you don't want my lovin', I'll dish it out to somebody
else.
I got to git myself together, cause I'm tired of sleepin'
by myself.
If you don't want my lovin' baby, I'll just shove it out
there to somebody else.

Now you cause me to drink and gamble, and stay out

all night long.
You cause me to search in places lookin' for you where
I don't belong.
I've got to get myself together, I've got to get you off
my mind.
It's a sin the way I love you, and I've got to get you off
my mind.
