It was on last Sunday mornin', when you first told me  
you were through.  
It was on last Sunday mornin', when you first told me  
you were through.  
It took me seven long, long days, to lose my blues for  
you.

It was a blue, blue, blue Monday, and I cried, cried all  
day long.  
It was a blue, blue Monday, and I cried, cried all day  
long.  
I couldn't sleep for thinkin' 'bout you baby, and it's  
since the second night that you were gone.

Now, I woke up Tuesday mornin', I didn't go to work, I  
didn't comb my hair, put on a rough dried shirt.  
I had the blues for you baby, I worked until Friday night.  
It was early Saturday mornin', first day I seen the light.

Now it's Sunday mornin' baby, and I'm lovin' somebody  
new.  
Yes, now it's Sunday mornin' baby, and I'm lovin'  
somebody new.  
It took me seven long days, to lose my blues for you.
