Her friends all scorn her, the talks all over town.
They tryin' to make trouble for us, the news is out all
around.
But after all she's still my Mary, and will be until the
deal goes down.

She was my Mary, when this whole world turned me
down.
She was my father, mother, sister, and brother, she
helped me to carry on.
And she will still be my Mary, when everything goes
wrong.

She's so sweet to me, when everything goes wrong.
She's so consolation, she helps me to carry on.
That's why I know she'll still be my Mary, when this
rotten deal goes down.

I know I can find a woman, each day that bright sun
shines.
I know I can find a woman, each and every day that
bright sun shines.
But after all she's still my Mary and there's nothin' else
can ever change my mind.

People says that I'm such a fool, 'cause I don't get out
and chase around.
People say that I'm such a fool, 'cause I don't get out
and chase around.
I can find a consolation I can meet, and she'll still be
my Mary when the deal goes down.
