Say, is it, Elmer, I got one, I got one for you, got one to  
kill you, man,  
got one to kill you, watch this one, G â€¦ [spoken words  
- Lonnie Johnson]

Don't know why, there's no sun up in the sky - stormy  
weather.  
Since my gal and I ain't together, keeps rainin' all the  
time.

Life is bare, gloom and misery everywhere - stormy  
weather.  
Just can't get my poor self together, keeps breakin' all  
the time, all the time.  
I'm so weary all the time.

Now, since she went away, blues walked in and met  
me.  
If she stays away, old rockin' chair will get me.  
All I do is pray, the Lord above will let me,  
Walk in the sun once more.

Oh Lord, I can't go on, everything in life is gone -  
stormy weather.  
Since my gal and I ain't together, keeps rainin' all the  
time.

Talk to me guitar! [spoken words - Lonnie Johnson]

Now, since she went away, blues walked in and met  
me.  
And if she stays away, old rockin' chair will get me.  
All I do is pray, the Lord above will let me,  
Walk in the sun once more.

Oh Lord, I can't go on, all I have in life is gone - stormy  
weather.  
Since my gal and I ain't together, keeps rainin' all the  
time.
