You know you don't love me baby. Why bring tears up  
to my eyes?  
You know you don't love me baby. Why bring teardrops  
up to my eyes?  
And you know I love you baby. I've never made you cry.

So best wishes to you little kitten, see you some rainy  
day.  
So best wishes to you little kitten, see you some rainy  
day.  
I found out you don't love me baby, I might as well be  
on my way.

I did everything a man could do tryin' to please your  
mind.  
I did everything a man could do tryin' to please your  
mind.  
You got my mind so upset, in the middle of the night I  
wake up cryin'.

I want to tell you baby, better listen to what I say.  
I want to tell you baby, you better listen to what I say.  
You think you smart baby, but you can't find a good  
man every day.

So bye bye little Susie, was so nice knowing you.  
So goodbye little Susie, so nice knowing you.  
Maybe you can find yourself somebody can do the  
things I fail to do.

I loved you so much, I didn't have my right mind.  
I loved you so much baby, I didn't have my right mind.  
But I found somebody whose real and everything is  
fine.
