When I watch the stars that shine,
Thank Mr. Moon for being so kind,
I feel like this whole world is mine.
It must be love.

When you feel the way I do,
Nothin' can ever make you blue.
You belong to me and I belong to you.
Baby, don't you know that's love?

You make me feel so gay.
All my troubles have passed away.
Love it makes you feel funny that way,
Darlin', don't you know that's love?

Baby you sweet little so 'n so,
Why you so sweet to me my heart will never know.
Everything you do make me have more faith in you.
Don't you know that's love?

I love your kisses I love your smile.
I'm nuts about you baby, it's just drivin' me wild.
You sweet to me like a baby child.
Don't you know that's love?
