Seen the bull frog and the toad, shakin' it, breakin' it
with the load.

The load got heavy and the toad eased out, you
should've seen the way that bull frog pout.

Croakin' knee deep in dust, my back is about to bust.
I'm so tired, and that ain't all, got to keep movin' I can't
stall.

The bull frog said, "toad shut you mouth, 'cause I'm
just a big frog from the south.

Toad yelled, "from the size of your lips, if you got
brains a snake's got hips."

Croakin' knee deep in dust, my back is 'bout to bust.
I'm so tired, and that ain't all, I got to keep movin' I
can't stall.

"Shake your dusty on down the road," said the bull frog
to the toad.

"My sweet frog is waiting and here I am, come on
good, lets do a swam."

Croakin' knee deep in dust, my back is 'bout to bust.
I'm so tired, and that ain't all, I got to keep movin' I
can't stall.

"I got a date at half-past-two," said the bull frog to the
googlely-goo.

"Me sweet frog is waiting behind the stump, and when
we get together we bumpty-bump."

Croakin' knee deep in dust, my back is 'bout to bust.
I'm so tired, and that ain't all, I got to keep movin' I
can't stall.

"Get that knapsack off the ground, stop your chinnin'
lets go to town.

You's a bull frog and I'm a toad, we got to move this
heavy load."

Croakin' knee deep in dust, my back is 'bout to bust.
I'm so tired, and that ain't all, I got to keep movin' I
can't stall.
