You shouldn't scold your wife when you do wrong
yourself.
You shouldn't scold your wife when you do wrong
yourself.
Because no woman wants to stay home all by herself.

We go out and we get drunk, and we stay the whole
night long.
We men go out and get drunk, and stay the whole night
long.
But to let us tell it, we never do'd wrong.

But every man, he should understand.
But every man, every man should understand.
A woman wants a real good husband, and not a
ramblin' man.

You must understand, a good woman ain't found every
day.
You must understand, a good woman ain't found every
day.
By stayin' out from home, you will soon drive your babe
away.

You must stop your way of ramblin', and stay home
some time.
We must stop our way of ramblin', and stay home some
time.
'Cause this all night and never home, and soon start
her with a ramblin' mind.
