What do you want I've got, pretty baby?  
What do you want I've got?  
Anything you want I ain't got, pretty baby,  
I will try to get it on the spot.

What have I got you can use, pretty baby?  
What have I got you can use?  
Anything I've got you can use, pretty baby,  
You can have it if you choose.

Givin' is better than takin', so they say.  
Givin' to you dear, [is] my idea of a perfect day.

So, what do you want that I've got, pretty baby?  
What do you want I've got?  
Anything I've got you can have, pretty baby,  
You can have it you're mine or not.

What do you want that I've got, pretty baby?  
What do you want that I've got?  
Anything you want I ain't got, pretty baby,  
[I'll] try to get it on the spot.

What have I got you can use, pretty baby?  
What have I got you can use?  
Anything I've got you can use, pretty baby,  
You can have it if you choose.

Givin' is better than takin', so they say.  
Givin' to you dear, is my idea of a perfect day.

So, what do you want that I've got, pretty baby?  
What do you want that I've got?  
Anything I've got you can have it, pretty baby,  
You can be mine or not.  
You can be mine, mine or not.
