So many cold mornin's, you drove me from your door.  
So many cold mornin's, you drove me from your door.  
I told my best friend, that you don't want me no more.

When you got a good livin', don't trust no woman to be  
your friend.

When you got a good livin', don't trust no woman to be  
your friend.

You might as well to lose your head, and jump in the  
lion's den.

When I try to be good, my baby treats me like a dog.  
When I try to be good, my baby treats me like a dog.  
I buy silk for her bed, and she sleeps in a hollow log.

I done got it in my mind, that I just can't understand.  
I done got it in my mind, that I just can't understand.  
I woman don't want a do-right husband, she wants a  
monkey man.
