Lord, Lordy, Lordy, Lord.
Lord, Lordy, Lordy, Lord.
Yes, do I love you baby, but I can't be your dog.

You didn't want me baby, when I was lovin' and kind.
You didn't want me baby, when I was lovin' and kind.
Now you want me, but I have changed my mind.

I helped you when you were down, and could not help
yourself.
I helped you when you were down, and could not help
yourself.
And now I'm down, and you want to help somebody
else.

You can treat me mean, you can do anything that's you
want to do.
You can treat me mean, you can do anything that's you
want to do.
Because someday you'll want me, when I won't want
you.
