Another day gone by darlin', what am I goin' to do?  
Another day gone by darlin', what am I goin' to do?  
Just sit home night after night, cryin' my heart out for  
you.

If you found somebody new, baby please let me know.  
If you found somebody new, baby please let me know.  
If my love and kindness can't hold you, I just have to let  
you go.

Good luck to you darlin', I finally made up my mind.  
Good luck to you darlin', I finally made up my mind.  
If you found somebody new, why should I sit at home  
cryin' over you?

Darlin', it's breakin' my heart, but I can't make you  
understand.  
Darlin', it's breakin' my heart, but I just can't make you  
understand.  
You just don't love me baby, you in love with another  
man.
