Yes, baby I'm so glad, don't have to cry for your love  
anymore.

Yes, I'm so glad, don't have to cry for your love  
anymore.

Yes, you treated me so bad baby, you just don't move  
me anymore.

You did everything to hurt me, when I was so in love  
with you.

You did everything to hurt me, when I 's so in love with  
you.

So you just keep on doin' what you do baby, 'cause I  
don't care what you do.

Rock it baby, blow it! [shouted words - Lonnie Johnson]

Yes, I used to beg you to stay home with me baby,  
you'd go out an' stay till the break of day.

Yes, I used to beg you to stay home with me baby,  
you'd leave home an' stay out till the break of day.

So you can't move me anymore baby, you can go back  
out and stay.
