Ah, people, you don't see into the blues like me.  
Ahhhhh, you don't see into the blues like me.  
I can see further into the blues, than a fish can in the  
deep blue sea.

I worked for you sweet woman, when the snow was  
above my knees.  
I worked for you sweet woman, when there was snow  
above my knees.  
And now the worst you can do for me, that is the best  
for me.

I'm a man like this, I don't throw stone for stone.  
I'm a man like this, I don't throw stone for stone.  
Every woman in this world 's, bound to miss the good  
man when he's gone.
